/ Tarmac Transfers / Electric Buggies

Once you travel with a Premium Meet & Assist service, you'll wonder how you ever travelled without us.

EXCLUSIVE ACCESS

For the super elite traveller Gilded Globe offer Exclusive Access in over 65 airports, a service that very few people in the world are even aware of. Receive a 'private jet experience' with your own terminal/lounge and security processes undertaken in privacy, whilst still travelling on a commercial aircraft.

Bypass the commercial terminal routes and relax in a private lounge before being driven directly to the aircraft. With discretion guaranteed, this is the only way to ensure complete privacy and luxury, both post and pre-flight.

The ultimate way to travel.

ARRIVAL

Met directly from the aircraft and driven via tarmac transfer to a private terminal/lounge where you can enjoy some refreshments whilst your bags are brought directly to you. Following your personal, in-house, immigration procedures, you will be escorted out to your awaiting driver.

DEPARTURE

You will arrive directly at your private lounge. Your bags will be taken from you, then pass through your own personal check-in and security processes. Unwind with refreshments in the privacy of your lounge whilst you await boarding time. When ready, you are driven across the tarmac to directly board the aircraft.

TRANSIT

A combination of the Exclusive Access Arrival and Departure processes, this is the ultimate way to ease through a flight connection.
